The highest compliments we can receive at JAMS are your referrals. If you know of anyone who can benefit from learning and mastering Mental Math, we are asking you, our dedicated Abacus Families, for your referrals. As a thank you, for each referral you provide who registers, we will provide you with a **\$25 tuition credit!** And the student who brings in the most referrals will **receive a ONETOUCH ABACUS (\$100 value)!** AND... for every 5 referrals turned in the student will be entered in a **drawing for a gift card!**

Simply provide us with contact information and we will invite your friends/family to participate in a free/no obligation trial class. That's it! If they register, you receive the credit!

THANK YOU FOR SUPPORTING YOUR CHILD(REN) AND FOR HELPING US GET THE WORD OUT ABOUT JAMS!
